Custom Scheduling Requests

In the event that the times in the calendar don't work for you, the RLC is pleased to offer Custom Scheduling Requests. In addition to the above courses, please see pages 7-10 for additional courses available by request only. If you are interested in this service or want to learn more, please email us at info@regionalllearningcentre.ca. We look forward to hearing from you.

Cancellation Policy

Classes are subject to cancellation at **least (5) business days** prior to the scheduled course offering. If you are registered in a course that is cancelled, you will receive a notification from the Regional Learning Centre (RLC). Should you need to cancel your registration, or if you have any questions please contact the RLC at info@regionalllearningcentre.ca or call 905-829-7006.

Late Policy

Participants are expected to sign into the session 5 minutes before the start of the session. To reduce interruptions during the session, no one will be admitted after 15 minutes of the start of the session. It is recommended that participants test their systems before the start of the session to ensure their technology will work.

eLearning at the RLC

The RLC eLearning platform has been enhanced to offer over 100 microlearning courses for staff, supervisors and managers working at community support service agencies. To view and access the eLearning modules simply, click the icon below, or go to www.regionalllearningcentre.ca and click on "E-learning." Once there, you can sign up or login if you have an existing account. To enroll in a course, search in the course catalogue and click "get this course". You will now be able to access modules via your home page. You will be able to save your progress during each module, and complete it at your own pace.

Location

All sessions will be held via Zoom and Microsoft Teams. A link will be sent 1-2 business days before the start of the session. Please check your junk or spam folders for the email.

Joining the session with your microphone and camera on (if possible) is recommended to get the most out of each session. You can join from your smartphone, laptop or tablet. Calling in on the telephone line is not recommended.

Questions can be directed to

info@regionalllearningcentre.ca
or 905-829-7006

Facilitators

Taryn Bolt, OT Reg. (Ont.), MScOT
Kiran Ghatora RN, MN
Marcia Annamunthodo RN, MS(N), IBCLC, CCHN (C)
Yalini Gunarajan, RN, BScN

Additional Courses Offered

RLC Classes for Staff
RLC Classes for Supervisors

You won't find these courses in our Winter calendar, but we are happy to set up a session just for your organization.

Email us at info@regionalllearningcentre.ca to arrange a session.

Chronic Disease: Introduction to Chronic Obstructive Pulmonary Disease [COPD] and Parkinson's Disease [PD] - 3 hours

This course explores chronic obstructive pulmonary disease and Parkinson's disease at an introductory level. Topics will include:

- The mental, physical and social impact of living with a chronic disease
- The physiological changes that occur with each chronic disease
- Strategies to assist clients with activities of daily living
- How the community support worker can support a client's self-management efforts

Chronic Disease: Introduction to Diabetes - 3 hours

At an introductory level, this course explores diabetes. Topics will include:

- The impact of diabetes on the individual, family, and their workplace
- The physiological changes that occur with diabetes and health complications
- The mental, physical, and social impact of living with diabetes
- How the community support worker can support client's self-management efforts (e.g. nutrition, blood sugar monitoring, and use of medications)

Chronic Disease: Introduction to Heart and Stroke - 3 hours

This course explores stroke and heart failure at an introductory level. Topics will include:

- The difference between acute and chronic disease
- The physiological changes that occur with each chronic disease
- How to identify and respond to changes in client's condition
- How the community worker can support a client's self-management efforts

From Conflict to Partnership for Staff - 3 hours

This course aims to provide community staff with tools and strategies to manage conflict in the community, the workplace or even at home. Topics will include:

- Negative and positive outcomes of conflict
- Factors that contribute to conflict in the workplace
- Strategies and tips to prevent and manage conflict

Note: *This course is not intended for participants wanting to learn how to deal with difficult behavior in clients with a mental illness or cognitive impairment.*

Additional Courses Offered

RLC Classes for Staff

RLC Classes for Supervisors

You won't find these courses in our Winter calendar, but we are happy to set up a session just for your organization.

Email us at info@regionallearningcentre.ca to arrange a session.

interRAI™ CHA Core and Functional Supplement Refresher - 7 hours

A full day workshop where assessors will:

- Validate their knowledge of coding the interRAI CHA
- Improve their coding accuracy of the interRAI CHA
- Increase their confidence in using the information to facilitate client centred care and evaluate the care plan

Pre-requisites

- *Previous training in interRAI CHA coding is required*
- *The completion of at least 10 interRAI CHA assessments is recommended*
- *Participants must have completed the Two Day interRAI CHA Core and Functional Supplement training to attend this session*

It is recommended that assessors who attended the 16-hour interRAI CHA, complete a refresher module annually.

interRAI™ CHA - Updates - 3 hours

A 3-hour workshop for learners who have attended the 2-day InterRAI CHA core and functional supplement training, as well as the CAPs and Care Planning session. The workshop will review the updated content of the interRAI CHA v 9.1.4.

Person Centred Care - 3 hours

This course explores the principles of person-centered care. Topics will include:

- The community support worker's role in a person-centred environment
- How to develop care practices that support person-centred work
- Communication strategies to support person-centered care

Preventing Elder Abuse - 3 hours

Elder abuse happens across our society, and all older individuals are at risk for elder abuse. This course will assist community staff to identify, respond, report, and prevent elder abuse to protect clients safety. Topics will include:

- Identifying, responding, reporting, and preventing elder abuse
- How to document identified elder abuse
- The importance of professionalism as it relates to community practice and the prevention of elder abuse

Powerful Tools for Caregivers

6-Week Course every Monday, starting February 1, 2021

Dates: February 1, 8, 22, and March 1, 8, 15

Time: 1:00-2:30pm

In partnership with Maximize Your Health

Powerful Tools for Caregivers is a highly effective, evidence-based, self-care program that builds skills caregivers need to take better care of themselves as they provide care for others. This six week workshop series helps caregivers to reduce stress, improve self-confidence and communication, find balance and identify valuable community resources

To register, please call:
Maximize Your Health
at 905-338-4432.

Powerful Tools for
Caregivers manuals
will be sent to you
before the session.

Powerful Tools for
Caregivers will
be offered using a
virtual platform.

Please note:

These workshops are **not** intended for professionals.
